

Drive customers to your website by advertising on ours

Familytimes.co.nz is the online version of our free quarterly news magazine for parents and children. With a circulation of over 170,000, **Family Times reaches more New Zealand families for less** than our main competitors. We have a range of online advertising options to choose from and can help you maximise your advertising spend with a coordinated cross-media promotion involving print and web advertising. A combination that can often be up to five times more effective than print or online advertising alone. Talk to us about your advertising needs – we have a range of options to suit every product and budget.
